Seventh Supplemental Information Disclosure Statement

Sir:

This Disclosure Statement is filed in the above identified application pursuant to the duty of disclosure provisions of 37 C.F.R 1.56. Applicant submits herewith patents, publications, or other information of which they are aware that may be material to the examination of this application and in respect of which there may be a duty to disclose.

Pursuant to 37 C.F.R 1.97, the filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made or that no other material information exists, nor an admission that the information cited is, or is considered to be,

material to patentability. The filing of this information disclosure shall not be construed as an admission against any interest in any manner –Notice of January, 9, 1992, 1135 O.G. 13-25 at 25.

Examiner is requested to initial the attached form PTO/ SB/08A and to return a copy of the initialed documents to the undersigned as an indication that the enclosed references have been considered and made of record.

It is believed that no fee is due with the filing of this Information Disclosure Statement. However, if it is determined that a fee is due, please notify the applicant as soon as possible.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Stephen G. Bales', with a long horizontal line extending to the right.

Stephen G. Bales
